- I authorize LUCY'S DOGGY DAY CARE AND SPA to allow my dog(s) to engage in social play with other dogs. In doing so, I understand my dog(s) may become injured by interacting with other dogs. I also understand that LUCY'S DOGGY DAY CARE AND SPA has evaluated the personalities of all dogs engaged in play, will supervise the playtimes, and will use reasonable care to ensure that no injuries result. However, in the event that an injury does occur to my dog(s) during group play, I agree to hold LUCY'S DOGGY DAY CARE AND SPA harmless from damages resulting from such injury. I agree to pay all veterinary charges required to properly treat my dog(s) for such injury.
- I understand that due to the excessive running and playing outdoors and on the gravel, my dog's paws/pads may be sensitive & tender as a result from worn pads.
- All dogs are boarded, trained or otherwise cared for by LUCY'S DOGGY DAY CARE AND SPA, without liability on its part for loss or damage by or from disease, death, running away, theft, fire or injury to persons, other dogs, or property by or to said dog(s), or other unavoidable causes, due diligence and care having been exercised.

- If your dog requires medical attention while in the care of LUCY'S DOGGY DAY CARE AND SPA, you agree to be solely responsible for the payment of all medical bills for your dog and you release LUCY'S DOGGY DAY CARE AND SPA, its officers and employees from any and all responsibility for, or claims, damages, debts, resulting from such medical care, including but not limited to, transportation to/from the veterinarian clinic and choice of veterinarian or animal hospital.

- We cannot guarantee that toys, blankets, or bedding will be kept in the same condition as brought in. For safety reasons, tennis balls and rawhide are NOT allowed.
- If a dog has fleas or other external parasites, the dog will be bathed or dipped at the owner's expense.

BORDETELLA (Kennel Cough)

LUCY'S DOGGY DAY CARE AND SPA follows the American Boarding Kennels Association recommendation requiring the bordetella (Kennel Cough) vaccination semi-annually. However, vaccinated canines are still susceptible to various strains of the virus. The vaccines for bordetella only cover a few strains of the virus.

I understand that although my dog is vaccinated against Bordetella, it is not a guarantee that my dog will not contract some form of the virus and will not hold LUCY'S DOGGY DAY CARE AND SPA responsible for any veterinary expenses.
